

January 1, 2018

Dear Member,

We're excited to officially welcome you to the Peach State FCU family! As a result of Southeast FCU's merger with Peach State on December 1, 2017, we have made some adjustments to our fees and charges. On the reverse, you will find a list of Peach State's Fees and Charges, most of which take effect March 1, 2018.

I take great pleasure in welcoming you to our credit union family. We offer our members a full suite of products and services, including first and second mortgages, and small business loans.

Please note that your account conversion is scheduled to take place June 30th-July 1st. Closer to that date, we will send you a conversion guide with all of the important details you will need, as well as specific instructions on accessing your new Peach State account(s). As we transition over the next several months, we plan to make the process as smooth as possible, with minimal impact on your day-to-day banking activities.

Again, welcome! We look forward to serving you and your family's financial needs. If you have any questions, please call 855.889.4328 to speak with a Member Service Advisor.

Sincerely,

R. Marshall Boutwell
President/CEO
Peach State FCU
