

November 3, 2017

Dear Member,

We are pleased to announce that the merger between Southeast Federal Credit Union and Peach State Federal Credit Union was approved during the Special Meeting of Members on November 1, 2017. The financial merger will be effective December 1, 2017. This merger demonstrates a shared commitment on the part of both credit unions' Boards and management to grow stronger and remain highly competitive in today's financial marketplace. By combining our resources, we will be able to provide members with an enhanced selection of products and services.

Having been founded by educators more than 55 years ago, Peach State remains an education-based credit union while serving hundreds of other Select Employee Groups. Over the years, we have expanded our footprint and now serve more than 49,000 members in eight counties in Georgia, as well as Aiken County in South Carolina.

I take great pleasure in welcoming you to our credit union family. As we transition over the next several months, we plan to make the process as smooth as possible, with minimal impact on your day-to-day banking activities. I also want to assure you that all of the current Southeast employees will remain on staff to serve you. Please note that the account conversion is tentatively scheduled for June 30, 2018. As that date draws near, we will be sure to communicate all the specifics. Keep an eye on your mailbox for a merger guide from Peach State closer to that date.

Again, welcome! Our goal is to help you and your family continue to build a financially strong and prosperous future.

Sincerely,

Marshall Boutwell
President / CEO
Peach State Federal Credit Union
